**SPOT LIGHT ON
YOUTH SERVICE BUREAU
OF ST. JOSEPH COUNTY**

The Youth Service Bureau, one of the many local agencies receiving Roofsit funds, has served youth and families in crisis since 1972. Our mission is to empower youth and families to recognize their strengths and unlimited potential. YSB is committed to delivering services that include street level outreach, shelter, counseling, and case management that honors, respects and celebrates our community's diversity. We provide free, innovative and responsive programs that reach out to youth and families. Our goal is to create a safety-net for those in need, helping them move from surviving to thriving.

Our mission is carried out through a continuum that includes a youth and family crisis line; 150 Safe Place sites across the County where youth can get help fast; a highly visible street outreach team; an emergency shelter for runaway and homeless youth that focuses on safety and family reunification; supports and services for young moms and their families including a transitional living program; individual, group and family counseling; and extensive classroom programs in South Bend, Mishawaka and Penn schools to help children and teens achieve success.

**2009 ROOFSIT
GOLF OUTING**

Make a Difference in the
Life of a Child.

**Tuesday, June 23, 2009
at Blackthorn Golf Club
4-Person Scramble**

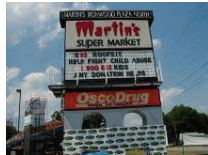

Make a Difference in the Life of a Child... Support Roofsit 2009!

What is Roofsit?

The U93 Roofsit has been a part of Michiana since 1997. Each year in June the U93 morning crew lives on the roof at Martin's Super Market on the corner of SR 23 & Ironwood in South Bend.

Since its inception, Roofsit has generated over \$1.3 million in funding for local child abuse prevention programs. Equally important, awareness created during the event has helped those impacted by child abuse cope and learn about community help programs. All money raised stays in Michiana and benefits counties in Southern Michigan and Northern Indiana.

Information about Blackthorn Golf Club

Blackthorn Golf Club, a Dr.

Michael Hudzan design, opened to rave reviews in August of 1994. The Irish-Cottage style clubhouse sets upon a rolling naturally contoured heavily wooded 226-acre site. The par 72, 7136-yard layout with four sets of tees offers a strategic test for golfers of all abilities. Broad fairways framed by 94 bunkers, wetlands, ponds, and native prairie grasses lead to subtly contoured and swept-up-tiered bentgrass greens.

Schedule of Events

10:00am

Registration Begins
