

STREET YSB STORIES

THURSDAY, MAY 15, 2025

Join us for an unforgettable theatrical evening of resilience and hope.

The YSB Street Stories is a unique event that brings to life the real stories of youth who have faced homelessness, abuse, and adversity—yet found resilience and hope. Their experiences will be performed on stage by talented actors from the South Bend Civic Theatre, offering an emotional and inspiring look at the challenges vulnerable youth face and the life-changing support YSB provides. All proceeds directly fund YSB's mission to provide shelter, safety, and resources for young people in crisis.
